EU ENTRY-EXIT SYSTEM & EUROPEAN TRAVEL INFORMATION & AUTHORISATION SYSTEM

Travellers to and from Europe will need to adjust to a number of new travel changes and restrictions. European Travel Information and Authorisation System (ETIAS) & the Entry-Exit System are set to be introduced across 30 EU countries so it will affect UK travellers at some point. The ETIAS will be an online visa-free authorisation process (similar to the existing schemes for Australia, the USA and Canada). The exact date that these new requirements will be introduced has not yet been confirmed. If, as and when this happens, we will notify you by email or you can check the UK Government website (Foreign Travel Advice Gov. UK).

Comprehensive Insurance

ALL CLIENTS MUST HAVE A FULL HOLIDAY INSURANCE WHICH SHOULD INCLUDE FULL COVID COVER. Many clients now have their own ANNUAL TRAVEL POLICY cover. This is always a good option, thus, this decision makes good sense. We will ask all clients to confirm their policy number before travelling. Sadly, we will not be able to accept any clients who are not fully insured.

YOU MUST CHECK PASSPORT ISSUE AND EXPIRY DATES BEFORE EU EUROPEAN TRAVEL

New rules mean that if you are planning to travel from the UK on a British passport to an EU country, your passport needs to meet two requirements.

The EU no longer recognises any additional validity (above 10 years) that may have been added to passports at the time of issue.

Passports **MUST** be less than 10 years old on the day you enter the European Union.

It must also have **AT LEAST 3 MONTHS** validity left on it after the day that you plan to leave an EU country – NOT the date of entry.

If one or both of these requirements are not met, then you will be denied boarding by the airline and will probably be unable to recover any pre-paid holiday or travel costs from your tour operator or possibly any travel insurance provider.

ARRIVING IN EUROPE

As you may have heard a new Barometric system will apply when you cross borders in Europe. Since October 2025, all arrivals in Europe have been asked to undertake some personal information. Once this has happened then all future arrivals will (we are assured) be swift and will not require passports to be stamped and inspected. A photograph will be taken and your passport will be registered. There will be delays so please do allow ample time to check in.

RYANAIR BOARDING SYSTEM

As from mid-November RYANAIR, in their 'wisdom', have dispensed with paper boarding passes. From that date, all boarding passes will be sent to your smart phone. We will ask that you make sure that your mobile phone has the RYANAIR APP....the system does work but to ensure that you are able to locate your boarding pass. Then PLEASE HAVE THE RYANAIR APP on your phone.

STADIUM TICKETS

We **ALWAYS** provide ALL STADIUM TICKETS for each meeting listed in our programme. Often, we also provide you with a programme within that cost. The ticket cost also provides you with transportation from your hotel and back after the meeting. We **ALWAYS** ensure that you have excellent seats. We are fortunate in that we have excellent associates within the host club so that **ALL** of our clients sit together in a block. You are, of course, entitled to provide your own stadium tickets, but we cannot then be responsible for either your safety or the value of the seats.

A strange name but a really quality property close to the main central area, minutes from the picturesque harbour. Inside the hotel you will find the amazing **ICE BAR**. LODZ is not a name you would associate with a modern, spacious city, but in fact it has a wonderful ambience. Close to the hotel is the massive **GALERIA LODZ** with modern stores, cafés and international quality outlets. COPENHAGEN and
KOLDING

We are planning to stay in COPENHAGEN and later KOLDING just over two hours from COPENHAGEN, and less than 50 minutes from VOJENS. We will be using the Danish capital as our inbound base to enable us to maximise our stay in Denmark whilst also providing as many local UK airports as possible.

WHERE WE STAY

COPENHAGEN & KOLDING

COPENHAGEN is indeed a beautiful city and KOLDING is a typical Danish domestic city. Our four-star KOLDING HOTEL is directly opposite the rail station. LATVIA is indeed the jewel in the Baltic states. Last year, we had so many clients wishing to enjoy this delightful country that we SOLD OUT of available seats and rooms by mid-summer. Your Flight and General Tour Information

FLIGHTS & AIRPORTS

We endeavour to make sure your travel is both comfortable and trouble free. Occasionally, flight times and schedules are changed after we have published our brochure. **ALL FLIGHT BOOKINGS WILL BE MADE UNDER THE PREVAILING RULES (INCLUDING COVID REGULATIONS) ISSUED BY H.M. GOVERNMENT AND AIRLINE CARRIERS.**

HOTELS AND TRANSFERS

All of our hotels are carefully chosen and many used for a number of past years. You may be assured that accommodation is of a satisfactory standard and breakfast is always included. Should you have any special requests (including disability requirements), make sure we know this as early as possible. It is your responsibility to locate any fire exits and to read any health and safety notices at hotels and stadia. Finally, we use trusted ground handling agents and insist on modern, well maintained tour coaches.

SPEEDWAY SEATS AND EXCURSIONS

On all of our tours, we arrange pre-booked stadium tickets and you will normally be accommodated as a group – occasionally Grand Prix tickets may be in different sections depending on the size of the enclosure. If you are hoping to travel with others not named on your booking form, please advise early so that we can get you seated together if required. **WE DO NOT SELL STADIUM TICKETS OUTSIDE OF OUR TOUR CLIENTS.**

PASSPORTS AND VISAS

It is essential that you have a current passport, valid for at least 3 months longer than the duration of stay. It is ESSENTIAL that the name on your airline travel documents is the same as shown in your passport and it is your responsibility to make sure the detail shown for ALL travellers named on the booking form/confirmation is correct. Incorrect information can lead to substantial additional airline charges for amendments (the cost of which will be passed on to you) or even refusal to allow you to board a flight.

TRAVEL INSURANCE

We insist that ALL travellers must have a fully comprehensive travel insurance on overseas tours (cancellation cover is also recommended for UK holidays). The policy should, where possible, have full Covid protection. We may ask for details of your policy before you travel and in ALL events you must have the policy document including emergency assistance contact numbers at all times.

EU ENTRY-EXIT SYSTEM & EUROPEAN TRAVEL INFORMATION & AUTHORISATION SYSTEM

Travellers to and from Europe will need to adjust to a number of new travel changes and restrictions. European Travel Information and Authorisation System (ETIAS) & the Entry-Exit System are set to be introduced across 30 EU countries so it will affect UK travellers at some point. The ETIAS will be an online visa-free authorisation process (similar to the existing schemes for Australia, the USA and Canada). The exact date that these new requirements will be introduced has not yet been confirmed. If, as and when this happens, we will notify you by email or you can check the UK Government website (Foreign Travel Advice Gov. UK).

FINANCIAL GUARANTEES

We are a privately owned company. Your holidays have the financial protection and guarantees of an ABTA membership and ATOL cover, both in association with Fred. Olsen Travel Limited. For your own protection, a non-refundable Airline Failure Insurance premium of £5 per person will be added to your final invoice and you will be issued with an official ATOL certificate with your deposit receipt or confirmation invoice.

HOW TO BOOK AND WHAT HAPPENS NEXT

We always require an official signed booking form but you can always call us to check availability prior to sending by post or a copy by email to tourst@ptours.co.uk. We can accept bookings by phone on (01473) 730000. A non-refundable deposit of £90.00 per person will be required at the time of booking and this may be paid by cheque (payable to Travel Plus Tours) or by debit or credit card. You may make a provisional telephone reservation, pending receipt of your booking form, and the same legal procedure and obligation will apply. A confirmation or deposit receipt will be sent to you (normally by mail or exceptionally by email) together with an ATOL certificate. This represents a contract between all parties. You will also receive a final invoice two months prior to your UK departure and payment should be made to us by the due date in accordance with our Booking Conditions which you should always CAREFULLY READ.

In case of triple rooms this usually consists of a standard room with an additional bed that may be of a camp bed or rollaway type. Quadruple rooms usually consist of a room with two double beds.

11. MEALS

Where meals are provided on a holiday, details are specified in the brochure (e.g. bed & breakfast, half-board, meals on board, etc.).

When the request can be met, we will confirm the amendment by issuing a revised confirmation invoice. We will, however, make an administration charge of £25 per person (maximum £100 per reservation form). For any changes you make, we also reserve the right to pass on any charges which may be levied upon us by an airline/tour company.

Any additional person added to a booking will be deemed to have accepted these conditions and those of the Principal Operator.

Where changes are requested within 72 days of departure, these will attract cancellation charges as set out in paragraph 16, except where the change to substitute a party member where that person is prevented from taking their holiday. Where the original party member is the person who signed the reservation form, he or she will remain jointly and severally liable for payment with the new party member. Any charge incurred in making such a change (e.g. airline amendment fee, etc.) will be payable. Other than in this case, the new arrangements made within 8 weeks of departure will constitute a new reservation. Please note that any insurance premiums are not transferable or refundable. Should the number of people travelling change, the price will be recharged on the basis of the new party size. Any increase in price per person payable as a result of part cancellation, e.g. under occupancy charge or a sole occupancy charge, will be indicated on the revised confirmation invoice.

Argentina

Late January, 2027
Something really different

SPEEDWAY in ARGENTINA is rapidly becoming a boom sport...and some European riders spend the turn of the year in this magnificent country.

There are real hot spots of speedway in and around the greater **BUENOS AIRES** massive conurbation of that magnificent city.

We intend taking in 10 days here to include at least three or four meetings. Added to that, we intend making this a 'holiday of a lifetime'.

Places we intend visiting...

BUENOS AIRES

The capital city of this huge country. Speedway in the greater area at **BAHIA BLANCA, BOLIVAR, CARLOS CASARES** and **DAIREAUX**. Sightseeing will include the full city and the scene of **EVITA** and covering the Eva Peron story, on the presidential palace balcony.

SANTIAGO, CHILE, and THE ANDES

A flight from Buenos Aires to **SANTIAGO, CHILE**, spending a couple of days in this very cosmopolitan city. Then, on our private coach, we spend the whole day crossing the magnificent

ANDES and onwards to the wine growing area of **MENDOZA**.

MENDOZA

Situated in the shadows of the magnificent **ANDES**, a wine growing area and the perfect place for a short rest.

RIO DE JANEIRO, BRAZIL

No **SOUTH AMERICAN** holiday is complete without three days in this immense city on the Atlantic coast of **BRAZIL**. Whilst we are here, we will take in a full day visiting the **CHRIST THE REDEEMER STATUE** and all aspects of Rio, including both **IPANEMA** and **COPACABANA** beaches.

PROPOSED TOUR DETAILS

Duration of your holiday is going to be approximately 17 days. Departure: mid-late January. Limit: Maximum of 20 persons. Proposed three speedway meetings in Argentina. Provisional tour price: £4,000.
